Cookies and links to other websites

Freelancerichard.com uses only technical and functional cookies. This site does not use cookies to store identifiable personal data.

This site only uses cookies to help you navigate efficiently and perform certain functions. These cookies can be categorised as "Necessary" and are stored in your browser because they are essential for enabling basic site functions, for which cookie permission is exempt.

This site also does not use third-party cookies that help analyse how you use this website, store your preferences or provide content and advertisements that may be relevant to you.

Freelancerichard.com contains links to other websites that are not operated by us. If you click on a third-party link, you will be directed to that third party's site. We strongly encourage you to review the Privacy Policy of each site you visit.

We have no control over and accept no responsibility for the content, privacy policies or practices of third-party sites or services.
